

# VICTORIA BEAULÉ

## EXPERIENCE

### International Distribution Assistant

Gary Lico TV | May 2020 to present

- Research the outcomes of all episodes of the program Forensic Files and create a packet compiling all up to date information on cases.
- Create, update, and manage database of outlets around the world with target audiences similar to Forensic Files, and record all contracts worldwide.

### Mailroom Intern

3 Arts Entertainment | Jan 2020 - Mar 2020

- Researched new film and TV talent and created packets for managers to use during festivals and provided script coverage for managers.
- Worked as receptionist, answering calls, greeting guests and clients, and scheduling meetings and conference rooms.

### General Manager

CitrusTV | Dec 2018 - Dec 2019

- Managed the largest student-run TV studio in the US, leading an executive staff of 11 students and managing a 145k annual budget.
- Liaised with contacts from news and production companies for purchasing and maintenance purposes.
- Devised integrated social media and training strategy for new student recruitment, registering a record 220 new members.

### Executive Producer

CitrusTV | Aug 2017 - Dec 2019

- Produced and directed multiple live news broadcasts a week, ranging from morning and evening news, politics, and breaking news.
- Wrote and copy-edited stories, built graphics and video assets, and managed sources and guests.
- Managed breaking news broadcast, digital, and social coverage of a 2 week campus protest.

### Broadcast Operations Technician

Dick Clark Studios | Jan 2018 - Dec 2019

- Coded and directed various student newscasts using AP ENPS and Ross OverDrive; working with Ross Vision, Xpression Graphics, and Harris Nexio Payout
- One of first undergraduate students in entire country to be trained on automated directing
- Technical directed & assisted with ACC on ESPN studio shows

### Operations Coordinator

Just for Laughs Festival | May - Aug 2016-2019

- Coordinated with programming, production, and logistics teams, as well as artists and agents to make sure all operational needs were fulfilled.
- Wrote and executed all 50 transport department staff contracts before the festival and payment invoices and department expenses after the festival.
- Created, updated, and managed daily transport grid for airport transfers and 30 venues, overseeing upward of one thousand transports a day.
